**REPUBLICAN TERRITORIAL
CONVENTION.**

HEADQUARTERS REPUBLICAN TERRI-
TORIAL CENTRAL COMMITTEE.
TUESDAY, A. T., AUGUST 22, 1900.

To the Republican Party of Arizona:

A convention of delegates of the Repub-
lican party of the territory of Arizona is
hereby called to meet in the city of Phoenix
at 10 o'clock a. m. on September 24, 1900, for
the following purposes:

First. The nomination of a delegate to
congress.

Second. The selection of a territorial Re-
publican central committee.

Third. The transaction of such other busi-
ness as may properly come before it.

The basis of representation will be one
delegate for each fifty votes and for every
fraction of votes over twenty-five cast for
Hon. Alex. O. Brodie for delegate to congress
in November, 1898; therefore the representa-
tion will be as follows:

COUNTY.	BRODIE VOTE.	NO. DELE.
Apache.....	464	9
Cochise.....	618	12
Cochran.....	382	8
Graham.....	321	7
Maricopa.....	1713	33
Navajo.....	388	8
Pima.....	329	7
Pinal.....	644	13
Santa Cruz.....	193	4
Yavapai.....	1404	28
Yuma.....	343	7

Total number of delegates..... 147

Proxies will be recognized only when pre-
sented by a voter who is a resident of the
county from which the same is issued.

All railroads have been asked to make a
reduced rate for this convention so that no such
rate is in force when delegates leave for the
convention they should take receipts for
money paid and the matter can probably be
arranged at Phoenix for returning free.

A full attendance of delegates is earnestly
desired, as well as the presence of repre-
sentative Republicans from every part of the
territory.

CHARLES R. DRAKE, CHAIRMAN.

J. KNOX CORBETT, SECRETARY.

DON'T GET TOO GAY.

The Republican press is jubilant
over the split in the Democratic
party. Don't be in a hurry, boys.
We have not had our territorial con-
vention yet and maybe we'll have
some troubles of our own. Let the
Republicans meet with a deep sense
of their opportunity and responsi-
bility at this time and nominate a
man who can and will carry the
party to victory in November. It
can be done if we make the cry
"Principles, not men" our slogan,
and all pull together. Now is our
opportunity to escape from terri-
torial vassalage—that political con-
dition that classes us with Filipinos
and negroes of the Southern states
as being unfit for self government.

But we cannot make this territory
safely Republican and secure state-
hood by flapping our wings and
crowing over a crippled enemy.
Fight just as if you did not know
he is crippled and victory is assured.
If we depend too much on his con-
fusion he might do the Fitzsimmons
shuffle and land a solar plexus that
will lay us out.

DEMOCRATIC NEWSPAPERS OF THE
West are heaping abuse upon Sen-
ator Stewart because he has accepted
Bryan's definition of the paramount
issue of the campaign. On the
question of expansion Senator Ste-
wart is with President McKinley. As
to the charge of "insincerity" on the
16 to 1 issue, if there is one man who
has proved his sincerity to that
cause it has been William M. Ste-
wart of Nevada. Year in and year
out he has fought for the ratio of
16 to 1 and the chances are when
Bryan is politically dead Stewart
will still work for his favorite metal.

The most dainty and effective pills
made are DeWitt's Little Early
Risers. They are unequalled for all
liver and bowel troubles. Never
gripe. E. J. Wattron.

Mr. BRYAN can at least be credited
with candor in one of his state-
ments. While lecturing at Terre
Hute May 29, 1899, he said: "When
the votes were counted I found I
had carried nearly every state in
which I did not speak and had lost
nearly every state in which I did
speak." It is to be hoped he will
speak in every state in the union
this year.

THERE was no candidate against
the Hon. Ben Tillman in the South
Carolina senatorial primary, yet out
of 83,000 ballots cast the name of
the distinguished pitchforker was
scratched from over 30,000 of them.
Mr. Bryan's confidential adviser and
balance wheel appears to be losing
caste among his fellow citizens.

"We must stop borrowing money
in Europe," declared Mr. Bryan in
1896. He was right. There was
a change from a Democratic to a
Republican administration and we
are now engaged in loaning money
—gold—to European nations with
good credit.

Mr. Bryan asks: "Why do we not
treat the Filipinos as we treat the
Cubans?" Were he not too busy
making speeches to reply to trouble-
some questions, it would be timely
to ask "Why do not the Filipinos
treat the Americans as the Cubans
do?"

If THE Republicans of Arizona im-
prove their opportunity they will
carry that territory; and if a Repub-
lican delegate is elected the admis-
sion of the territory to statehood is
assured.—Albuquerque Citizen.

"I do not share in the apprehen-
sion felt by many as to the danger
of government being weakened or
destroyed by reason of their exten-
sion of territory." Ulysses S. Grant.

"We have one flag and one des-
tiny, and wherever that destiny shall
lead us we will have hearts strong
enough to meet its responsibilities."
—William McKinley.

"There are responsibilities, born
of duty, that can never be repudi-
ated."—William McKinley.

To Fight Forest Fires.

Commissioner Binger Hermann of
the general land office has instituted
a very thorough system for guard-
ing against fires within the forest
reservations of all the Western
states during the rigid surveillance
to prevent any and all fires from
working great damage to the public
forests, says an exchange.

He has telegraphed each of the
respective superintendents of re-
serves asking if in their judgment
the present force of forest rangers
is sufficient to cope with emergencies
and if there are now any exposed
places in these reserves not suffi-
ciently guarded by an adequate pa-
trol. If in their judgment an in-
creased force is required during the
heated season these superintendents
are authorized to recommend new
appointments which will be made
as long as the available funds last.

Several such appointments have
already been made and many others
will follow when the requests arrive.
This same protection cannot be ex-
tended to the forest on the public
domain outside of the reserves, but
where special agents report spread-
ing fires the land office is ready to
assist in extinguishing them. Up to
this time no fires have gained head-
way on the reserves, and the com-
missioner hopes this thorough pa-
trol will prevent any extensive con-
flagration.

Fun in Sight.

They are having a gay time out in
Kingman. Our Mineral Wealth,
one of the newspapers, has been boy-
cotted by the merchants for alleged
disloyalty to the town, an independ-
ent party has been organized to de-
feat the Democratic ticket and there
are numerous small scraps in the
nature of side shows of the main ag-
gregation. The people of Kingman
will probably not discover that the
hot weather is over until after the
election.

Tax Sale.

One spotted red and white cow,
branded "M" with an "x" above, will
be sold at public sale September 29,
1900, at 10 o'clock a. m. at the rail-
way stockyard at Holbrook, to be
sold for W. H. Young's taxes.

eruptions. It's the world's cham-
pion healer. Cure guaranteed, 25c.

SMITH--WILSON SPLIT.

Such a Political Tangle Is Probably
Unprecedented.

The territorial Democracy has
wound itself up into about as nasty
a political tangle as was ever seen
in this or any other country. Last
week's convention failed to reach an
agreement on the contest between
Smith and Wilson, and resolved it-
self into a double headed monster
which is we believe without prece-
dent or parallel. Two conventions
were held in the same hall, at the
same time, but with totally different
results. Smith was nominated by
one and Wilson by the other. There
is a territorial central committee
backing Smith and another backing
Wilson. There was no bolting, no
regular convention with a rump con-
vention attachment as is usual in
such cases, but both stood their
ground and fought it out to a finish.

The question which of these two
men is the Democratic candidate for
delegate to congress and entitled to
the place as such on the official bal-
lot will be decided by the secretary
of the territory first and then will
undoubtedly be carried to the
courts.

The Argus hopes the officials to
whom the question is submitted will
be actuated by such fairness and
impartiality as to favor neither can-
didate and give both of them a place
on the official ballot. Let us have
plenty of candidates so we can select
a good man.

Time to Awake.

The benefit of a comprehensive
system of government irrigation
works to the arid West can hardly
be underestimated and it is high
time the West was waking up to the
situation and doing its share toward
getting congress to take action.
Thus far the work has all been done
by Eastern business men, who figure
that such improvements will do
more than anything else towards
providing homes for the people in
the West and will eventually pro-
vide the Eastern manufacturer and
business man with a larger market.
What it means to the Eastern busi-
ness man, it means in even a larger
proportion to the Western business
man, and it is time they were awak-
ening to the fact.—Denver Stock-
man.

A Night of Terror.

"Awful anxiety was felt for the
widow of the brave Gen. Burnham
of Machias, Me., when the doctors said
she would die from pneumonia be-
fore morning," writes Mrs. S. H. Lin-
coln, who attended her that fearful
night, but she begged for Dr. King's
New Discovery, which had more
once saved her life and cured her of
consumption. After taking, she slept
all night. Further use entirely
cured her. This marvelous medi-
cine is guaranteed to cure all throat,
chest and lung diseases. Only 50c
and \$1. Trial bottle free at F. J.
Wattron's and A. C. M. I.

A Word to Mothers.

Mothers of children affected with
croup or a severe cold need not hesi-
tate to administer Chamberlain's
Cough Remedy. It contains no
opiate nor narcotic in any form and
may be given as confidentially to
the babe as to an adult. The great
success that has attended its use in
the treatment of colds and croup
has won for it the approval and
praise it has received throughout
the United States and in many for-
eign lands. For sale by F. J. Wat-
tron, Druggist.

Stood Death Off.

E. B. Munday, a lawyer of Henri-
etta, Tex., once fooled a grave-dig-
ger. He says: "My brother was
very low with malarial fever and
jaundice. I persuaded him to try
Electric Bitters and he was soon
much better, but continued their use
until he was wholly cured. I am
sure Electric Bitters saved his life." This
remedy expels malaria, kills
disease germs and purifies the blood;
aids digestion, regulates liver, kid-
neys and bowels, cures constipation,
dyspepsia, nervous diseases, kidney
troubles, female complaints; gives
perfect health. Only 50c, at F. J.
Wattron's and A. C. M. I.

Tea Garden Drops

Is a Sugar Syrup of highest quality.
Once used, always wanted. Delic-
iously sweet—makes taffy candy to
perfection. Manufactured by Pa-
cific Coast Syrup Company, 707-719
Sansome street, San Francisco.

As usually treated a sprain will
disable the injured person for three
or four weeks, but if Chamberlain's
Pain Balm is freely applied a com-
plete cure may be effected in a very
few days. Pain Balm also cures
rheumatism, cuts, bruises and burns.
For sale by F. J. Wattron, Druggist.

The progressive nations of the
world are the great food consuming
nations. Good food well digested
gives strength. If you cannot di-
gest all you eat, you need Kodol

you eat. You need not diet your-
self. It contains all the digestants
combined with the best known ton-
ics and reconstructives. It will en-
dure all classes of food in a bottle.
No other preparation will do this.
It instantly relieves and cures all
stomach troubles. F. J. Wattron.

The great success of Chamber-
lain's Colic, Cholera and Diarrhoea
Remedy in the treatment of bowel
complaints has made it standard
over the greater part of the civilized
world. For sale by F. J. Wattron.
